

**AZTEC**  
ANIMAL  
CLINIC

# Learn. Grow. *Make a Difference.*

If you are a DVM/VMD student looking for exposure to a variety of cases and medical and surgical experience with a fun, well trained team, this opportunity may be just what you were hoping for.

Aztec Animal Clinic is a locally owned and operated six-doctor practice in the historic Nob Hill district of Albuquerque, NM. We have a strong team atmosphere, so we are uniquely qualified to mentor veterinary students and externs.

## **Our unpaid externship (usually 2-6 weeks) offers:**

- Case rounds throughout the day
- A 4.25-to-1 support staff-to-doctor ratio
- Monthly DVM meetings to discuss the latest journal articles

Access to:

- Digital ultrasound and radiography
- Digital dental radiography
- Dedicated operating room with doppler blood pressure monitoring, capnography, etc.
- Benchside laboratory testing
- An extensive pharmacy
- And much more!

Our priority is to foster a collaborative environment, where case discussion is encouraged, and case management is shared. Come see for yourself! Get in touch at
